

***Set Sail With Gary and Marcy Eberle
on an 8-Day Uniworld River Cruise
May 7 - May 14, 2017
Aboard the SS Antoinette***

***Savor the fairytale ambiance and dramatic beauty of the
castle-lined Rhine River From Basel, Switzerland to
Amsterdam, Netherlands***

This scenic cruise along the Rhine—with Germany on one side and France on the other—is one of Uniworld River Cruise Line’s most popular itineraries. Explore Alsace, a region whose dual French and German heritage has given it fabulous food and a winemaking tradition dating back to Roman times. Marvel at castles that were once mighty fortresses guarding territory and trade routes, now romantic ruins looming high over the water. Visit historic cities, including ancient Cologne and picturesque Strasbourg, stroll through storybook hamlets such as Riquewihr, Kaysersberg and Rudesheim, and taste delightful white wines in the villages where the very grapes were grown. Beethoven and Byron were completely enchanted by the region’s natural splendor—see how much it inspires you as you experience it from the perspective of a luxurious Rhine River cruise.

Join us as we set sail aboard the newest ship on the Uniworld line—the SS Antoinette. Built for 154 guests, our intimate sailing along the Rhine River promises to be a magical and memorable adventure. With plenty of fun friends and Eberle wine onboard, everyone who joins the Eberle group is certain to have an amazing time! This is one cruise that Gary has always wanted to cross off his “bucket list”—sailing between Germany and France to explore castles and vineyards along this breathtaking route.
