

# TASTING ROOM POLICIES

We are excited to host you! Please review the following! If you have any questions, please do not hesitate to reach out to our Tasting Room Team at [tastingroom@eberlewinery.com](mailto:tastingroom@eberlewinery.com).

## **Large Group (6+)**

Thank you for choosing to visit Eberle Winery. We are excited to host you! Due to the educational nature of our seated tastings, Eberle can accommodate groups of a maximum of 12 people and under reservation only. This number includes children and non-tasters.

The maximum party size we can accommodate is 12 people (if available). When booking a reservation if you are unable to book a reservation with the desired number of guests and forgo our large group policy (book multiple reservations), we do not guarantee your party will be sat together. You are not allowed to push tables together or table hop.

If you are looking to host a larger group please contact our events department [events@eberlewinery.com](mailto:events@eberlewinery.com).

## **Appointments Times/Early Birds**

We ask for all guests to arrive promptly at their appointment time. Early birds will not be able to be seated until their appointment time. If you are early, you may choose to opt-out of your reservation and taste at the bar (by availability) or buy a glass or bottle and enjoy your wine over on the Oak Knoll Patio until your appointment time.

Appointments are 90 minutes in duration. We will hold reservations for 15 minutes before canceling.

## **Outside Food**

We do not have a restaurant onsite. We have charcuterie boxes available for purchase.

Inside our Tasting Room and on Vineyard Deck, we do not allow outside food as it affects the tasting experience for other guests and tasting time constraints. You are more than welcome to enjoy your food over on the Oak Knoll Patio before or after your tasting experience. The Oak Knoll is first come, first serve, no appointments are needed for picnicking. We ask for you to clean up after yourself. No outside alcohol.

Oak Knoll: Picnicking is permitted but we ask for you to clean up after yourself. No outside alcohol.

## **Dogs**

Dogs that are friendly and on leash are welcome to be inside and out of our facility. Dogs can participate in the cave tour. We please ask that you clean up after your animals. We have doggie waste bags available. Please note we have two winery dogs that wander the premise off-leash. The poodles are both friendly.

## **Guests Under 21**

While guests of all ages are welcomed, Eberle caters to an adult experience in terms of environment and culture. We ask that all guests carefully monitor their children to preserve the experience of other guests.

## **Weather**

Eberle Winery will be open rain or shine. Please be aware that we will host outdoor wine tastings regardless of inclement weather. We advise guests that book outdoor seating to dress accordingly. The Vineyard Deck will be available for anyone who wants to stay with their reservation. All reservations will take priority inside in the case of wet weather!
