### *Tasting Notes*

Our Full Boar Red is a Cabernet Sauvignon based blend with splashes of Barbera, Grenache, Petite Sirah, and Zinfandel. A collaboration of flavors and aromas come together to make a wine you will savor upon first sip. Rich flavors of black cherry, black berry, a hint of fig and cola, combine with firm mid-palate tannins to form a full-bodied wine with a long finish. A great wine to pair with anything you can put on the grill from ribs, steak, and burgers, or even a fennel sausage and mushroom pizza with plenty of mozzarella cheese.
