EBERLE 2017 CÔTES-DU-RÔBLES, PASO ROBLES

Scents of spiced rhubarb and strawberry keep the California sun-shined fruit in the glass. Plum goes deep on the palate, and salinity chimes in. The red fruit is matched up with cocoa and ultra-sleek acidity. Silky and juicy, and darn good.

2017 EBERLE VIOGNIER MILL ROAD VINEYARD

Ripe and expansive on the perfumed nose, displaying Meyer lemon, nectarine and melon aromas along with subtle floral and mineral overtones. Smooth and fleshy on the palate, offering juicy honeydew, peach and pear flavors and a bracing jolt of lemon zest on the back half.

EBERLE 2017 CÔTES-DU-RÔBLES BLANC

Delicate and chalky on the nose, this blend of Grenache Blanc, Roussanne and Viognier offers pear, honeysuckle and nectarine aromas. There is solid zip on the palate, where cantaloupe, lemon skin and dried apple flavors are touched with exotic saffron spice.

EBERLE 2017 SYRAH, PASO ROBLES

SA nose of dark chocolate, coffee and wet earth, this wine is exceptional in texture and flavor. Black tea tannins, walnut and blackberry lean in to a line of minerality. Black pepper strikes a chord on the finish.

2016 EBERLE SYRAH , STEINBECK VINEYARD

There's a tarry backbone to the nose of this bottling, but there's also ample blackberry fruit, peppercorn, roasted meat and crushed violet aromas. The palate is intense in more tar, meat and peppercorn avors, which result in a savory, medium-bodied mouthfeel. — M.K. Published 12/31/2018
